

Case Log Instructions

Participants of the Orthopaedic Trauma Fellowship Match are required to submit a case log to OTA Business office by July 15th.

Accurate case reporting is critical to our ability to evaluate fellowship case volumes and case types across the country. We use this information in conjunction with forthcoming survey questions to better describe the range of fellowship experiences.

You will need to Log in to through the OTA website, if you have any problems with log on, contact ota@ota.org or (847)698-1931

Important Reminders:

- Please update this weekly
- **No** patient identifying data with **names**
- Record the cases where you are the primary surgeon or first assistant
- If you are part of an ACGME accredited program, you may submit your case log to connell@ota.org by July 15th.
