CME CREDIT / DISCLOSURE DECLARATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons (AAOS) and the Orthopaedic Trauma Association (OTA).

The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians. The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of 8.0 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

EDUCATIONAL OBJECTIVES

Upon completion of this program, participants should be able:

- To use prominent recent studies in the orthopaedic literature to enhance decision-making and maximize outcome in specific areas of fracture care including the upper extremity, pelvis/acetabulum, and ankle fractures
- To learn about, and incorporate in practice, modern fixation techniques for complex knee and ankle fractures
- To understand the complexities of providing geriatic hip care on both patient-based and systematic levels
- To use evidence-based medicine in the decision-making process for the management of proximal humeral fractures and their complications
- To summarize treatment options for complex fractures of the upper extremity including the clavicle, humeral shaft, and distal humerus

HANDOUTS

Handouts can be found on the OTA website: http://ota.org/education/2017-specialty-day/ or on the AAOS mobile app. Search *"My Academy"* to download.
