

Membership Photo Contest

OTA is hoping to update our Membership marketing materials with a new photo.

But we can't do it without you!

During the next 2 weeks we will be collecting images [in Dropbox](#).

Contact the OTA with any questions about photo resolution, size and pixel questions. Email: ota@ota.org

Deadline for consideration: April 3rd.

FAQ: Can my iPhone images be used? No; even the best iPhone images will not be large enough for our needs.

[To learn more about iPhone images click here.](#)

Our final image will need to print at 34" wide by 40" tall.

Photo Submission Criteria:

- Permission to print: you must have permission/ legal rights to share the image.
- OTA will need to have permission to use the image for all membership marketing graphics including a pull up banner, brochure and advertisement in JOT.
- Photos should have 200 pixels per square inch.
- OUR FINAL IMAGE WILL PRINT 34" X 40"
- *In-Surgery images will be given priority.*

The PR Committee will review selections in April and a winning picture will be revealed as soon as possible.

Helpful hint: Likely your office manager or public relations office will have copies of images that can be used for large scale practice promotions.
