

Annual Guest Nation – China

The OTA is honored to welcome China as the 2013 Guest Nation. We are pleased to have the opportunity for collaboration with our Chinese colleagues, and a chance to recognize their contributions and achievements.

Representatives from the *Chinese Orthopaedic Trauma Society* will participate in a symposium at the International Orthopaedic Trauma Care Forum on Wednesday and will also speak Friday morning in the Annual Meeting general session about Chinese Trauma Education.

The Guest Nation program was initiated in 2011 in recognition of the importance and benefits of sharing knowledge and experience with international colleagues.
