

## **Governance Council Work Plan & Charges**

### **Publications Committee**

#### **Current Charges & Activities**

1. Oversight of the strategy, publication and dissemination of OTA owned and OTA branded journals, textbooks, and video library. This includes:
  - Journal of Orthopaedic Trauma (JOT)
  - OTA International (Open Access Journal)
  - All textbooks (including print, electronic, and “living textbooks”) that are OTA-branded.
2. Oversight of the OTA Knowledge Portal (the electronic platform for OTA journals, textbooks, video library, living textbook, and other online educational resources), including content development and ongoing review.
3. Implementation of OTA International including development of the editorial structure, establishing a growth strategy, building author interest in the international community, article recruitment from authors with broad appeal and metrics for defining progress
4. With the support and participation of OTA leadership, actively engage industry to support of the Knowledge Portal and work in a collaborative manner to meet the needs and expectations of commercial sponsors.
5. Collaborate with WK to develop a textbook series of 5-10 defined subjects over a seven year period; including topic selection, selection of an editor for each topic and development of metrics for the textbook series.
