2019 ANNUAL MEETING
The Premier Trauma Educational and Networking Event of the Year
We encourage you to exhibit and participate in the Orthopaedic Trauma Association’s (OTA) 2019 Annual Meeting. The OTA Annual Meeting is an outstanding opportunity to support the world’s premier society dedicated to the scientific and educational advancement of musculoskeletal trauma care.

We had record attendance at the 2017 and 2018 meetings and given the growth of our organization, this year’s venue (Denver, Colorado), we anticipate even greater participation in 2019. Given our common goals to provide the best possible care for patients with musculoskeletal injuries, the OTA, our industry partners, and meeting participants benefit from collaboration and the information disseminated at the Annual Meeting. Industry support is critical to achieve these goals.

There are multiple ways that your company or organization can participate in the Annual Meeting (click here):

- **Education Grants** (counts toward donor levels)
  - Resident Education
  - Pre-Meeting Educational Programs
  - On-line Education – webinars/video and much more.
- **Sponsorship of Industry Sessions**
- **Corporate Branding**
- **Exhibit**

We look forward to seeing you in Denver!

Exhibitor Rules & Regulations
By applying for exhibit space, a company agrees to adhere to all conditions and regulations outlined in this prospectus. Whenever practical or appropriate, in the view of the OTA, disciplinary action will be progressive according to the violation of the listed rules and regulations. However, the OTA reserves the right to levy a more severe penalty, including refusal, or termination of the exhibit, at its sole discretion. In the event of such restriction or eviction, the OTA will not be liable for any refunds on rentals or other exhibit expenses incurred. Please be sure that your promotional department or anyone else involved in the arrangements of your exhibit has a copy of these rules and regulations. It is the responsibility of the exhibitor to see that all booth staff are aware of, and adhere to, these rules and conduct themselves in a professional manner throughout the conference.

The purpose of the exhibits is to further the education of meeting attendees through product displays and demonstrations. Order taking within the booth is permitted if conducted in a professional manner. Items sold for cash and carry or delivery on the show floor are not permitted. In addition, exhibitors, including vendors/contractors/agents hired to work the booth, may not solicit attendees or other exhibitors from outside of their booth or elsewhere in the meeting venue. Violator’s booths will be shut down and badges confiscated without warning.

Booth Policy
Exhibit personnel may not enter another exhibitor’s booth without obtaining permission. This is in respect to the rights of other vendors to conduct business during the exhibit hours without interference or improper intervention. The OTA, its representatives, and staff shall have free access to any exhibit at all times in their performance of their assigned duties.

Acceptability of Exhibits
All exhibits shall serve the interest of the OTA members and shall be operated in a way that will not distract from other exhibits, exhibitors, or the conference as a whole.

Advertising/Promotion Policies
Advertising or promoting meetings or other activities conflicting with OTA meeting hours is not permitted. Please contact the OTA before scheduling any meetings.

Use of the OTA Name, Insignia or Logotype
The use of the name, insignia, logotype or other identifying marks of the OTA may not be used on signs, advertising or promotions in any media or descriptive product literature or products without written permission of the OTA. The only exception is that exhibitors may reference the Annual Meeting (with date and place) of the OTA on materials associated with the Annual Meeting.

Subletting/Sharing of Booth Space and Badges
Exhibitors may not let, sublet, share or transfer the exhibit privilege or space in whole or in part without the express written consent of the OTA Meetings Manager. There is no sharing of badges allowed.

Dismantling of Exhibits
Dismantling or removing an exhibit or materials including packing literature or products, before the official closing of the exhibit hall is prohibited. Companies in violation of this rule will not be permitted to exhibit at future OTA Annual Conferences.

Space Occupancy
Exhibits must be staffed by qualified individuals who are bona fide employees or representatives of the exhibitor. An exhibitor directly responsible for the conduct and appearance of the exhibitor’s employees or agents must be present in the exhibit space during all open hours. An exhibiting company whose booth is not completed and staffed by the close of the exhibit installation period will forfeit all exhibit rights. The OTA reserves the right to reassign space without notification or refund.

Security
OTA will provide security for the overall exhibit area from the beginning of move-in to the end of move-out, but not for any particular exhibit. However, neither the OTA nor the Colorado Convention Center will be held responsible for the loss or damages to exhibitor property, and urges the exhibitor to exercise precautions to discourage theft.

Damage to Property
