YOUNG PRACTITIONERS FORUM
and ASK THE EXPERTS
MYTH BUSTERS VS. REALITY ABOUT ORTHOPAEDIC TRAUMA

COURSE AGENDA
Thursday, September 26, 2019

Program Chairs
Lisa K. Cannada, MD
Jodi A. Siegel, MD

4.0 AMA PRA Category I Credits™
OVERVIEW
The purpose of the Young Practitioners Forum is to provide programming targeted towards senior residents, fellows and orthopaedic trauma surgeons new in practice. Information on topics not taught in training and wisdom from lessons those in practice learned will be discussed. Our target audience will be provided tools for a successful career. The Ask the Experts session at the end of the program will provide an opportunity to interact and ask questions in a friendly environment.

TARGET AUDIENCE
This course is designed for orthopaedic residents, fellows, and young practitioners to promote career planning and development during residency and selection of best practice environment.

SPEED MENTORING
Mentoring is a volunteer relationship between individuals. The objective of the Speed Mentoring Session is to provide a forum for advice regarding professional and personal concerns of a Young Practitioner and an Experienced Practitioner. This session will cover a variety of non-surgical topics for success in your career. In addition, there will be ample time to meet with the faculty afterwards.

LEARNING OBJECTIVES
Upon successful completion of this course, participants will be able to:
✓ Illustrate the fellowship application process and maximize the fellowship year experience
✓ Identify important strategies for building your career
✓ Describe an understanding of skills to succeed in a trauma practice
✓ Apply effective communication techniques
