Dear Doctor Miclau:

We hope all is well. On behalf of the **Colombian Society of Orthopedic Surgery (SCCOT) and Trauma Colombian Society (SOCOT)**, we are sorry to announce the adjournment of our **"7<sup>th</sup> Trauma International Course"**, which will now take place from second semester 2020, in Cartagena, Colombia.

We made this decision based on the global public health crisis that has been generated by Coronavirus (COVID-19), and the guideline issued by the Colombia Ministry of Health. We apologize for any inconvenience caused by the postponement of the academic event, which was scheduled for April.

IOTA participation is key to the development of the course, we will continue with same topics as only change date, for the second half of this year. Please let us know if you are going to be able to participate as an international speaker, so that we can arrange any logistical requirements, we would very much appreciate it.

Feel free to contact us if you require any further information.

Cordially,

**DIEGO LUIS CARVAJAL MD**  
Secretary SOCOT

**MIGUEL TRIANA QUIJANO MD**  
President SOCOT

**RODRIGO VARGAS MD**  
General Secretary SCCOT

**JOSÉ LUIS OSMA MD**  
President SCCOT
