# YOUNG PRACTITIONERS FORUM – PREPARING FOR YOUR FUTURE

*Program Chairs*

Jodi A. Siegel, MD

Michael S. Kain, MD

## OVERVIEW

The purpose of the Young Practitioners Forum is to provide programming targeted towards senior residents, fellows, and orthopaedic surgeons developing an orthopaedic trauma practice. Discussions and lectures will focus on nontraditional topics not typically taught in training. There will an emphasis on providing insight into how to develop professionally, clinically, and personally. The target audience will be provided advice and pearls from experienced surgeons, in a friendly environment, to help them transition into practice and to achieve the professional goals that are important to them. This relaxed setting will also allow participants to network and to meet leaders and rising stars in the world of orthopaedic trauma.

**CME**

*credits will be awarded for your participation at this activity.*

## TARGET AUDIENCE

This course is designed for orthopaedic residents, fellows, and early career orthopaedic surgeons planning and developing a career in orthopaedic trauma
