Charges of Task Force

- Research and consider OTA's current diversity in leadership positions and as Annual Meeting educational presenters, taking into consideration gender, race, ethnicity and age
- Propose a 3-year plan for increasing diversity in OTA leadership and educational faculty positions
- Write an OTA diversity statement – uniquely suited to OTA

## **President-Elect Report - Heather Vallier, MD**

Dr. Vallier reviewed the process and timeline for committee appointments. This year we have slightly more volunteers than open positions and are also attempting to engage new members too. Thank you to the amazing volunteer force and welcome to leaders and future leaders to service.

## **CFO Report - Doug Lundy, MD**

At the close of December 31, 2019, the Total Fund Balance was up \$13,347,290. COVID-19 struck and we were down \$9,441,599.

### Research & Education Fund

- Infused cash from the operating account into the Research & Education fund so it's grown through appreciation of the stock market and from us transferring funds over there.

Research & Education Fund after COVID-19 crisis – still greater than 2017 and 2018.

OTA Operating Account – just short of \$2 million in 2019

Investment Performance YTD – Vanguard significantly decrease in expenses compare to Morgan Stanley Asset Allocation – very well balanced

2020 Annual Budget – Impact of COVID – 19, course revenue drop from projected \$786,461 to \$703,107 mostly due to Specialty Day cancellation, and spring courses.

Annual Meeting – produces significant revenue for OTA; goal is to move forward with the Annual Meeting.

Research & Education Donations and Awards continues to increase. Individual members contributions continue to go up with time.

### Financial Summary

- We anticipate restoration of our investments after the crisis abates
- Major Support for research/courses
- Future Drivers
  - Annual Meeting
  - Member Support Greatly Appreciated
  - Knowledge Portal/Partnerships
