

Public Events Department

**COVID Policies for Fort Worth Convention Center
and Will Rogers Memorial Center**

In response to the ongoing COVID-19 pandemic, the City of Fort Worth requires the following as it pertains to the Fort Worth Convention Center and Will Rogers Memorial Center:

- Mask-wearing is required at all times by everyone who enters the public corridors, concourses and lobbies at each venue.
- Public Events Dept. staff and contractors at each venue will be required to wear a mask at all times.
- Staff and contractors will be temperature screened on a shift-by-shift basis.
- Each venue will continue to employ state-of-the-art sanitizing and disinfecting programs.

For licensed venues and/or spaces in each location, the licensee of the space shall have the responsibility to determine and communicate the following:

- Mask-wearing requirements for client-provided event staff and attendees.
- Temperature and other types of screening procedures at the entrance to the licensed event space.
- Enforcement of mask wearing regulations.
- Social distancing seating or standing requirements for the licensed spaces, which will determine capacity for an event.

Licensee decisions shall be communicated to venue management, who will support each event accordingly.
