Resident Comprehensive Fracture Course

October 20 - 22, 2021

Omni Hotel • Fort Worth, Texas

Overview

The Resident Comprehensive Fracture Course will be presented in small group modules, with 22-24 residents and 5 experienced faculty educators per module.

The modules will have a rapid-fire series of mini-lectures, an extensive open case-based discussion, video demonstrations of techniques, and hands-on skills lab exercises. Modules will cover fundamental principles of fracture care distributed among topics: articular, diaphyseal, foot and ankle, geriatrics, pediatrics, and pelvis/polytrauma/acetabulum, and spine.

This course offers pre-course educational on-demand video materials. Details will be sent with registration confirmation as well as an online basic science pre-test and an onsite clinical post test.

Target Audience

This course is targeted for PGY1 - PGY4's. Others who feel they will benefit will not be excluded. Attendance is limited so early registration is recommended.

Module Topics

- Articular
- Diaphyseal
- Foot and Ankle
- Geriatrics
- Pediatrics
- Pelvis, Polytrauma and Acetabulum
- Spine

Scholarships Available

Due to generous grants from Smith and Nephew, Globus Medical and Zimmer Biomet, a limited number of scholarships are available to North American residents. Scholarship funding of up to \$725 may be used to offset travel expenses or course registration.

Smith+Nephew

Early Bird Registration
Until September 30.
