

## Thank You

The Orthopaedic Trauma Association gratefully acknowledges the following companies for supporting the Resident Comprehensive Fracture Course:

**Smith+Nephew**

**DePuy Synthes**  
THE ORTHOPAEDICS COMPANY OF *Johnson & Johnson*

**stryker**

**3M** Science.  
Applied to Life.™

**ZIMMER BIOMET**  
Moving You Forward.™

**GLOBUS**  
MEDICAL

The OTA would also like to extend sincere appreciation to OTA, Globus Medical and Smith & Nephew for their RESIDENT SCHOLARSHIP SUPPORT.

Attendance at an OTA educational event authorizes the OTA to capture your image or likeness in photographic, digital video, or other electronic format, and authorizes the OTA to use said image or likeness in marketing materials to promote OTA, including print, electronic, and on the internet. OTA warrants that its use of the image or likeness will not be in a negative manner. OTA has no control over the use of the image or likeness by third parties and therefore makes no express or implied warranties on any use by third parties.

## Resident Membership

The OTA membership includes an extremely talented and energetic group of surgeons. Residents are invited to apply for membership as candidate members.

Visit the OTA website at [ota.org](http://ota.org) for more details and the complete membership application. (Note: the application deadlines are May 1st and November 1st).

### Mission Statement

The mission of the Orthopaedic Trauma Association (OTA) is to promote excellence in care for the injured patient, through provision of scientific forums and support of musculoskeletal research and education of orthopaedic surgeons and the public.

### Vision Statement

The OTA will be the authoritative source for the optimum treatment and prevention of musculoskeletal injury, will effectively communicate this information to the orthopaedic and medical community, and will seek to influence health care policy that effect care and prevention of injury.

### Value Statement

The OTA is adaptable, forward thinking and fiscally responsible, and is composed of a diverse worldwide membership who provide care and improve the knowledge base for the treatment of injured patients. OTA members provide worldwide leadership through education, research, and patient advocacy.
