FALL COMPREHENSIVE FRACTURE COURSE FOR RESIDENTS

OCTOBER 12-14, 2022 TAMPA, FLORIDA

OVERVIEW

The Resident Comprehensive Fracture Course will be presented in separate small group modules, with 22-24 residents and 5 experienced faculty educators per module. The modules will have a rapid-fire series of mini-lectures, an extensive open case-based discussion, video demonstrations of techniques, and hands-on skills lab exercises. Modules will cover fundamental principles of fracture care distributed among topics: articular, diaphyseal, foot and ankle, geriatrics, pediatrics, pelvis/polytrauma/acetabulum, upper extremity and spine.

This course offers pre-course educational on-demand video materials. Details will be sent with registration confirmation as well as an online basic science pre-test and an onsite clinical post test.

TARGET AUDIENCE

This course is targeted for PGY1 - PGY3's. Others who feel they will benefit will not be excluded. Attendance is limited so early registration is recommended.

PROGRAM CHAIRS

Course Chair
Holly Pilson, MD

Arun Aneja, MD, PhD
Co-Chair
