YOUNG PRACTITIONER FORUM PRACTICE MANAGEMENT

Original Seattle Convention Center (Arch Building) 611-612

COURSE DESCRIPTION

The Young Practitioner's Forum is an event that aims to prepare its audience for the struggles of early practice. As an attendee, you will hear open and honest lectures and discussions from faculty who have already experienced these issues.

The forum has been newly reformatted this year! The practice management session will be largely presentation based. It will cover the day-to-day of early physician life.

LEARNING OBJECTIVES

Upon successful completion of the 2023 Young Practitioners Forum, participants will be able to:

1. Develop an understanding of the trials and tribulations encountered in all settings of early orthopaedic trauma practice.
2. Learn strategies to address these issues from experienced faculty.
3. Develop relationships with mentors and peers that can help advance your career.

YOUNG PRACTITIONER FIRESIDE

**Original Seattle Convention Center (Arch Building) – 611-612
Seattle, WA**

DESCRIPTION

The Young Practitioner's Fireside Chat is the second session of the forum. This session will be large and small group discussion based. Attendees will get the opportunity to interact with our faculty closely and discuss difficult topics such as patient mortality, what to do when things go wrong in the OR, and work/life balance. By the end of both sessions, we hope that you will be better prepared for early practice, have a clear idea of how to plan your career, and have developed some relationships with mentors who can help you along your way.

LEARNING OBJECTIVES

Upon successful completion of the 2023 OTA Young Practitioner Fireside, participants will be able to:

1. Develop an understanding of the trials and tribulations encountered in all settings of early orthopaedic trauma practice.
2. Learn strategies to address these issues from experienced faculty.
3. Develop relationships with mentors and peers that can help advance your career.
