Acumed, DePuy Synthes, Smith & Nephew

WEDNESDAY, OCTOBER 18, 2023

OTA MEMBER FIRESIDE SENIOR SURGEON

Original Seattle Convention Center (Arch Building) 3AB

OVERVIEW

Seasoned OTA members are encouraged to join a distinguished panel of OTA Past Presidents for the inaugural Senior Surgeon Leadership Forum, an evening of fellowship and engaging panel discussions. Faculty will foster lively discussions that illuminate the benefits of decades of experience then move to a series of interactive sessions touching on self-care and personal health, as well as transitions from one's trauma surgeon role to other leadership posts.

Participants will hear from faculty who have assumed key spots within the broader house of orthopaedics and within non-orthopaedic positions.

LEARNING OBJECTIVES

Upon attending the 2023 OTA Member Fireside, participants will be able to:

- ✓ Gain insights into forces that established the OTA and continue to influence our society's goals
- ✓ Describe challenges to physical and mental health, and opportunities for prevention and self-care
- ✓ Explore career transitions to other leadership roles within and beyond orthopaedic traumatology
- ✓ Define pathways to retirement from orthopaedic surgery and establishment of satisfying subsequent endeavors, including financial planning

The Orthopaedic Trauma Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Orthopaedic Trauma Association designates this live activity for a maximum of **2.75 AMA PRA Category 1 Credits™**.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Early Bird Registration Until September 17.

	OTA Member On/Before 9/17/23	OTA Member After 9/17/23	Non-Member On/Before 9/17/23	Non-Member After 9/17/23
